Cost: £60 each (including lunch)  
Early bird offer: £100 for 2 (offer available until 18<sup>th</sup> December 2015)

Word cloud: laugh, little ones, love, illuminating, life, learning, listening, limitless

### New training booklet:

The spring 2016 training booklet is now available!! Please take a moment to share this with your managers and team and pop the dates in your diary. The cluster meetings come round quickly so make sure you get booked on!

### WellComm data:

Now is the time to share with us your WellComm screen data for this term. For nurseries there is the new data form to complete

(available on the website) and for children's centres there is the online tool. Please get the information to us by the end of term at the very latest. If you have never submitted data before and need some help, please let us know and we will be happy to help.

### 'chatter matters' week 2016 7<sup>th</sup>-11<sup>th</sup> March 2016

"communication - it's in our nature"

Don't forget to put the dates in your diary and get planning. The theme this year is 'communication - it's in our nature'. What can your setting do to get children's language and communication flourishing in the natural world? We will spend some time planning together in the January cluster meetings.

### Self evaluation:

If you were at this term's cluster meeting you will be familiar with the development of our self evaluation document. The final version has now been shared. Please take a few minutes to complete this with your manager and/or team and get it back to us by the end of January.

### Parent Ambassadors:

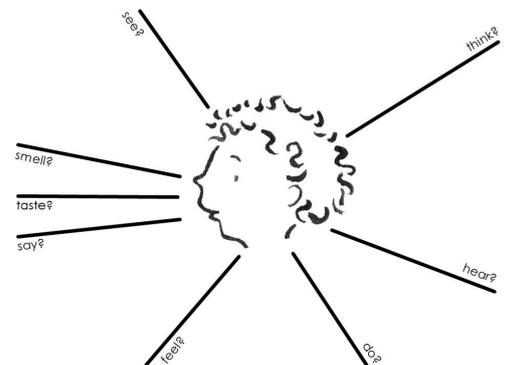

Have you ever had a 'time to talk' parent ambassador? Are they still active? If so we'd like to hear from you. We are exploring how we might work with parent volunteers in the future.

### Celebrations:

We LOVE to hear about your successes with families, children and your team when implementing 'time to talk'™. Sometimes it is tricky to implement change, or to see the impact of what you are doing, but when it does happen, we want to celebrate this with you! Please send us an email or message about what has been successful for you this term/year so that we can celebrate it with you. There might even be a wee celebratory gift in response!

### Lastly:

We just want to let you know that the 'empathy map' shared at the Autumn cluster meeting is now available to download from the website.

### Happy Christmas!

We'd like to wish you all a fun and safe Christmas and New Year and look forward to seeing you next term. With best wishes, The 'time to talk'™ team.
