

Do you have concerns about a child's speech and language development?

Please call 01926 400001 ext 254

My child has been referred to Speech and Language Therapy, but I'm not worried

What is normal development for a 2 year old?

The child has achieved amber on the Wellcomm tool but I am still concerned, should I refer to SLT?

Are you a parent or professional who would you like to speak to a Speech and Language Therapist about your concerns?
