

## 'chatter matters'<sup>TM</sup>

Language enrichment sessions for babies, toddlers and young children based around singing, storytelling and play. For staff working with babies, toddlers or pre-school children.

1 x ½ day

Available for whole teams.

Contact us to discuss your requirements.

*"It makes you think about your own practice... how much you talk, when and whether it's useful to the child or whether it's just for the sake of talking."*

## VERVE Child Interaction Therapy

VERVE celebrates and builds upon each unique adult-child interaction. Four video reflections (across four weeks) to jointly identify what works for the child.

Available for whole teams.

Contact us to discuss your requirements.

The **'time to talk'**™ strategy is an award-winning programme to support young children's speech, language and communication. We offer tiered training (1-3), enabling your team to develop their knowledge and skills. We also offer ongoing support and networking too.

## Tier 1 training

(for all practitioners)

An introduction to speech, language and communication.

2 x 3 hours

£75

### Topics covered:

- importance of communication skills
- how communication skills develop
- identifying needs and seeking support
- tool to monitor progress
- communication friendly environments

## Tier 2 training

(for Tier 1 trained practitioners)

In depth study of children's speech, language & communication and strategies to support them.

2 x 1 day (inc. video reflection) with additional self-directed learning

£245

### Topics covered:

- attachment & social interaction
- attention & listening
- understanding
- talking
- speech sounds

## Tier 3 training

(for Tier 2 trained practitioners)

Enabling champions to fully implement **'time to talk'**™ in your setting

2 x 1 day

£365 (inc. WellComm pack)

### Topics covered:

- preparation for running language enrichment groups
- working with families
- using WellComm to measure language progress (includes Wellcomm screening pack)
- the role of the champion

We also offer a buy-in package to train your whole staff team to Tier 1 on your premises. Maximum 25 practitioners. **£650**
